Performance Notes

Inspired by the mascot of Falls Church High School in Virginia, this piece depicts the fierceness and speed of the jaguar. The exciting motif in the key of A minor follows the jaguar deep into the Mayan jungles, with mystical hints of the deity it was once believed to be. In ancient Mayan ruins, carvings of the jaguar are still visible today. They tell a story of the powerful cat whose eyes reflected in the night, leading the Maya people to call it the “god of terrestrial fire.” The music follows the jaguar on a hunt with driving rhythms in the cellos and basses, a brief violin solo, and an energetic melody that runs and leaps like the mighty jaguar, fearless and proud.

About the Composer

Kathryn (Griesinger) Parrish received her B.A. (cello) and M.M. (music education) degrees from the University of Akron, where she later taught string pedagogy courses as adjunct faculty. She taught orchestra in Ohio and Florida private and public schools for 15 years, while freelancing as an arranger and cellist for various ensembles. She writes commissioned works and sight-reading music for regional music festivals. Kathryn currently works in educational music publication as an orchestra editor.
