About the Music

It's that magical time of year! Snow is falling, and the halls are decked. It's time for a sleigh ride in the park. Imagine a horse-drawn sleigh, coasting leisurely through the park, blanket-coated passengers in tow. This music features a bright melody, a sparkly bells part, and jingle bells to mimic the sound of a horse-drawn sleigh. The melody is passed around to multiple sections so everybody gets a turn. This piece will be a light-hearted and very playable addition to any holiday program.
